

## TEXT SET: ENVIRONMENT

"Santa Monica Teens Saving the Environment." Whole Foods Market. Youtube. March 11, 2008

<http://www.youtube.com/watch?v=eCNMTTRKSV4>

*Short video hosted on Youtube and funded through Whole Foods about a group of teens working together to fight a variety of environmental issues. The video focuses on their campaign against plastic bags.*

"Kids Leading the Charge to Green." by Jenn Savedge. Mother Nature Network.com. June 28, 2010

<http://www.mnn.com/family/family-activities/blogs/kids-leading-the-charge-to-green>

*This text is about the inspiring crowd of young people at a recent green summit, proving that youth activists are at the forefront of the environmental movement.*

"Young Activist: Erica Fernandez Speaks Out for the Environment." by Maya Kandell. Scholastic Com.

<http://www.scholastic.com/teachers/article/young-activist>

"Clay McMullen, Teen Passionate about Saving the Environment: Community Heroes 2011." by Teresa Dixon Murray. Cleveland.com. December 29, 2011

[http://blog.cleveland.com/metro/2011/12/clay\\_mcmullen\\_teen\\_passionate.html](http://blog.cleveland.com/metro/2011/12/clay_mcmullen_teen_passionate.html)

*An article and video about a teen in Ohio who has worked to educate others and improve the conditions of the wetlands in his area. (The video is Clay speaking directly.) (Easier text and supported by video.)*

"Inconvenient Youth: Teens Taking On Global Warming." by Brian Merchant. Treehugger.com. September 28, 2008

<http://www.treehugger.com/culture/inconvenient-youth-teens-taking-on-global-warming.html>

*This text is about youth inspired by Al Gore's documentary, An Inconvenient Truth, to take action by spreading the message to their local communities and beyond.*

"Kid Heros for the Planet." Time For Kids.com. April 12, 2013

<http://www.timeforkids.com/photos-video/slideshow/kid-heroes-planet/88746>

*A slideshow of kids, with short descriptions, doing great things for the environment.*

"How Do I Become a Hands-on Teen Activist?" By Bear. Yahoo.com.

<http://answers.yahoo.com/question/index?qid=20080109181903AANY1zm>

*A blog opened up to the general public about questions and comments about environmental activism.*
